

POLAND ROTARY COMMUNITY FLAGS

Poland Rotary Flag Program

The Poland Rotary club will install a flag in your front yard covering the six major holidays (Memorial Day, Flag Day, Independence Day, Labor Day, Patriot Day (9/11) & Veterans Day.

We will insert a PVC plastic sleeve, along with a cap, in the ground in your front yard to hold the flag. A 3' x 5' American Flag, mounted on a 10-foot metal pole will be placed in the sleeve to cover these holidays.

The flags remain the property of Poland Rotary so we will install, store and maintain them. Proceeds from this program are used to support community projects.

The total cost is only \$40.00 per year!

Please Note: Prior to initial installation, the utility lines will be marked by "Call Before You Dig". Please do not remove the line marker flags until Poland Rotary puts your flag up.
